PROFESSIONAL EXPERIENCE

Since 1993, Dwane has been involved in the completion of projects generated by H. G. Rice & Company, Inc. In July 2001, Dwane became Owner of H. G. Rice and Company, Inc., and continued the high standards of quality that began over 35 years ago. In 2005, he left the company to start a new firm, Bosma Design Solutions, Inc., which focuses on working hand and hand with the client and end user to bring their vision of their facility to life.

Dwane is well versed in the planning and design of various types foodservice facilities and takes pride in his enthusiastic devotion to the industry. Throughout his career, Dwane has produced the highest quality designs and has gone the extra mile to ensure the satisfaction of the client and end user. Always knowledgeable of the latest technologies and trends within the industry, he is an exceptional candidate for any foodservice consultant project.
